

REMARKS

Applicants have responded to all claim rejections given in this office action. Accordingly, reconsideration of, and allowance of, this case is respectfully requested.

Furthermore, minor errors which have been noticed in the specification are corrected. Amendments numbered 2 and 3 above to the specification amount to moving a sentence from one location in the specification to another location in the specification and correcting typographical errors therein. Thus, no new matter is introduced.

Respectfully submitted,

Robert Lodenkamper
